### PitPack™ offers the benefits of:

- Faster oil change service
- Improved transaction speed, which helps to increase car count
- Ability to carry more premium products in half the space without using a tank or a drum
- Uses 89 percent less plastic compared to using 24 quart bottles
- Producing less waste while providing a lower cost package style

The PitPack™ easy-dispense motor oil system can help you manage the complexity of growing premium product sales and the challenge of carrying all the products that your customers demand - all within less space. The environmentally responsible packaging and delivery system significantly reduces waste associated with quart bottles. 40 PitPacks per skid, mixed product types can be ordered to make up skid quantity.
