Standfast absorbent adhesive floor mat

- Prices valid February 23 to July 31, 2018
- This product is in a Universal format absorbing both oil and water at the same time
- Industry leading absorbency combined with high durability means Standfast has you covered when the unexpected happens.
- Available as an adhesive roll, making application fast and easy, while ensuring a custom fit every time.
- Most durable sticky mat on the market, fast drying and easy to clean.
- Withstands foot to forklift traffic without shifting, rippling or bunching.

Standfast is an industry leading absorbent featuring Evolution Sorbent Product's medical absorbency technology. It's constructed from a polyester/polypropylene needle-punch fabric. A sticky backing helps keep this absorbent in place and allows for easy removal or replacement when no longer needed. The adhesive backing stops short of each edge facilitating easy removal. Easily cut and applied to all types of work surface, this super absorbent roll stands up to both foot and fork lift traffic.

Use Standfast in strips in narrow spaces or simply lay out long rolls alongside machines, or wherever you need heavy-duty, absorbent rugs. Use rolls to cover long areas quickly.
